

Today's Challenges Require
Timely Solutions...
We Can Help

We are here now with a wide
range of non-classroom learning
options to help you continue
Investing in People.

We Have Your Next Virtual Professional Development Solution

Learning Dynamics' award-winning programs and tailored consulting services have successfully improved performance - from sales teams to the executive suite. Our client-centric solutions have been implemented at many of the most recognized, highly-respected organizations worldwide.

Non-Classroom Professional Development Options:

[55-Minute Webinars](#)

Engaging webinar series with more than 15 topics: “Managing Remote Staff,” “Exceeding Customer Expectations,” “Maintaining a Positive Outlook: Managing Stress and not Letting It Manage You,” and “Essentials of Project Management.”

[Micro-Learning e-modules](#)

Our Fast Track Learning series of e-modules, which are completed in ten minutes, include “Giving Constructive Feedback” and “Stepping Up to Supervisor.”

[Skill Sharpeners](#)

One-page skill sharpeners provide tips and techniques for managers and employees on a wide range of topics including communication, coaching, delegation, business writing, and customer service. Each skill sharpener can be accompanied by an optional tutorial video. Our series for at-home workers provides essential skills.

[“On the Call” Supervisory Newsletter](#)

Published every other month, each newsletter features a topic that assists managers and supervisors with their day-to-day responsibilities.

[Virtual Train-the-Trainer](#)

40+ program topics, including sexual harassment prevention, performance management, and customer service, are available through a cost-effective train-the-trainer option.

[Micro-Coaching](#)

One-on-One periodic 15-minute coaching sessions with seasoned Learning Consultants strengthen managers and supervisors skill sets. Virtual sessions are spaced over a period of time to achieve specific goals.

For more information on any of these professional development options, please contact Jim DeMaio, Learning Dynamics President, at jdemaio@learningdynamics.com or (203) 265-7499, extension 201.
